

# ARTICULATION AGREEMENT

CITY COLLEGE of SAN FRANCISCO

San Francisco Community College District

and

San Francisco Unified School District

Articulation Program Area: Biotechnology

City College of San Francisco (CCSF), in cooperation with San Francisco Unified School District, has agreed to grant placement in the biotechnology program to students who have completed the following:

1.

2. High school students may concurrently enroll in Biology 50, "Briefing in Genetic Engineering," during their junior or senior year with recommendation from their high school counselor or science instructor and permission from their parent. Admission to the program requires the completion of laboratory based biology, physics, and chemistry and mathematics that includes algebra.

4. In addition, students who have completed one year of high school general biology and
