

ARTICULATION AGREEMENT

City College of San Francisco
(San Francisco Community College District)

AND

All High Schools
(San Mateo Union High School District and San Mateo County Office of Education
Regional Occupational Program)

Articulation Program Area: Biotechnology

City College of San Francisco (CCSF), in cooperation with San Mateo Union High School District (SMUHSD) and SMCOE ROP, has agreed to grant placement in the biotechnology program to students as follows:

1. Students who have completed one year of high school general biology and one year of high school Biotechnology with a grade of "B" or higher will have the BTEC 10, 107, and 108A ("Bridge to Biotech" program) requirements waived for the Biotechnology Lab Assistant certificate and/or the Biotechnology major.
2. High school students should concurrently enroll in BTEC 5, "Briefings in Biotechnology (1 unit)," and/or BTEC 6, "Basics of Cell Culture (1 unit)" during their junior or senior year with recommendation from their high school counselor or science instructor and permission from their parent or guardian.
3. Students must provide high school transcript documenting completion of required courses (as specified above) to the Biotechnology Lab Assistant Program Coordinator.

This Agreement replaces all previous agreements for the program identified above. This Agreement will be reviewed by the High School District Administration, County Office Administration and the College Department Chair/Articulation Officer annually and will remain in effect unless canceled by either party having given a 30-day written notice.
