Courses Approved for Certification of IGETC for  
Transfer to California State University and University of California  
AUGUST 2022- JULY 2023 ONLY

Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University or the University of California system without the need, after transfer, to take additional lower -division, general education courses to satisfy campus general education requirements.

Check with your counselor to determine if you may use IGETC or if you must follow the UC campus specific requirements for your particular major. There may be some limitations on transferable credit, particularly with UC. Check [www.assist.org](http://www.assist.org), UC Transferable Courses, for more information on credit limitations.
