1. Call to Order at 2:30

President Miraglia read the land acknowledgement:

We acknowledge that we are on the unceded, ancestral homeland of the Ramaytush Ohlone who are the original inhabitants of the San Francisco Peninsula. As the indigenous stewards of this land and in accordance with their traditions, the Ramaytush Ohlone have never ceded, lost nor forgotten their responsibilities as the caretakers of this place, as well as for all peoples who reside in their traditional territory. As guests, we recognize that we benefit from living and working on their traditional homeland. We wish to pay our respects by acknowledging the ancestors, elders, and relatives of the Ramaytush Community and by affirming their sovereign rights as First Peoples.

2 Agenda adopted via roll-call vote

3 Public Comment

- a. Fred Teti: The Education Policies Committee met on Monday. We had two business items on the agenda: First, we discussed modifying the course-repetition petition process so as to make it less onerous for students. Next, we considered a second draft of the proposed new Catalog rights policy. We took no actions; both items will return for further deliberation in November. Anyone interested in more details is welcome to email me.
- b. Madeline Mueller: There is a quick build project happening on Frida Kahlo Way, and it's on the Board Facilities Committee meeting tomorrow. It's important to make sure the new MTA plan matches existing College plans and we should have more time to review the idea. There is also news about the CCSF relationship to the Diego Rivera mural and it's important to note Yō P ù Â-đ €@ À ð me.
