Nor shall any such persons be denied full and equal access to, the benefits of, or be subjected to discrimination on the basis of domestic partner status*, AIDS/HIV status*, status as a lesbian, gay, bisexual, transgender* or questioning* person in any District program or activity.

The policy of the San Francisco Community College District is to provide an educational and employment environment free from sexual advances, requests for sexual favors, and other verbal or physical conduct or communications constituting sexual harassment, or any other sexual misconduct.

Employees, students, or other persons acting on behalf of the District who engage in unlawful discrimination as defined in this policy or by state or federal law may be subject to discipline, up to and including discharge, expulsion, or termination of contract.

In so providing, the San Francisco Community College District hereby implements the provisions of Title 5, California Code of Regulations § 59300 et seq., California Government Code sections 11135 through 11139.5, 12940 et seq., the Sex Equity in Education Act (California Education Code, Section § 66250 et seq.), California Education Code sections 66260 et seq., 66281.5, 67382, 67385, 67385.7, and 67386, Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d), Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681), the Jeanne Clery Disclosure of Campus Security Policy and Campus Crimes Statistics Act, (20 U.S.C. § 1092(f)), the Violence Against Women Reauthorization Act of 2013, (42 U.S.C. § 13925(a)), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), the Americans with Disabilities Act of 1990 (42 U.S.C. § 12100 et seq., as amended by the ADA Amendments Act of 2008, (P.L. 110-325)) and the Age Discrimination Act (42 U.S.C. § 6101).

The compliance officer/coordinator responsible for the District's compliance with this policy and all applicable laws is the District Title 5/EEO/ADA/Title IX Compliance Officer, 50 Frida Kahlo Way, B702, San Francisco, CA 94112, (415) 452-7660. Information concerning the provisions of the applicable laws and complaint procedures is available from the District Title 5/EEO/ADA/Title IX Compliance Officer.

Definitions applicable to the nondiscrimination policies are as follows:

- “Appeal” means a request by a complainant made in writing to the San Francisco Community College District governing board pursuant to Title 5, section 59338, and/or to the State Chancellor’s Office pursuant to Title 5, section 59339, to review the administrative determination of the District regarding a complaint of discrimination.
- “Association with a person or group with these actual or perceived characteristics” includes advocacy for or identification with people who have one or more characteristics of a protected category listed under “Unlawful Discrimination Policy” and title 5, section 59300, participation in a group associated with persons having such characteristics, or use of a facility associated with use by such persons.

Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them should never by itself be assumed to be an indicator of consent.
- “Dating violence” means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of a romantic or intimate relationship will be determined based on the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship.

 1. A physical or mental impairment that substantially limits one or more major life activities of such individual;

 - (1) Making unsolicited written, verbal, physical, and/or visual contacts with sexual overtones. (Examples of possible sexual harassment that appear in a written form include, but are not limited to: suggestive or obscene letters, notes, invitations. The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

1. Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
2. Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
3. Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

approved by the Chancellor; and (2) that the speaker be required to answer questions asked by the audience. It shall be the responsibility of the Chancellor to allow opportunity for the expression of a variety of view-points.

3. Regulations Governing Guest Speakers

a. Request Procedures:

The chairperson or president of a registered on-campus organization requesting facilities for an on-campus speaker should sign up with the Student Activities Administrator, for the time and place desired (see Rule 5 and Part D).

b. Review of Request for a Speaker:

If a decision on a request for an on-campus speaker is to be reviewed, the Student Activities Administrator, and/or the on-campus organization making the request (represented by the student chairperson and the faculty advisor) may refer the matter to the Vice Chancellor of Student Affairs for their specific recommendation to the Chancellor.

c. Sponsorship:

Advisors of student organizations are required to review all requests for on-campus speakers in advance, and students are required to present to the Student Activities Administrator, a form signed by their advisor when requesting a time and a place for an on-campus speaker's address. Every advisor of a campus organization is expected to make arrangements for a guest speaker's appearance before their group on campus and should be present during the address. A substitute should be appointed if the advisor cannot be present.

4. Regulations Governing the Scheduled Use of the Free-Speech Area

The following guidelines are established to facilitate the equitable use of the City College free-speech area by all students:

- a. Only registered students (not substitutes) who have signed up in advance for use of the free-speech area are permitted to use the area.
- b. A sign-up list governing use of the area for at least two weeks in advance must be maintained in the Student Activities Administrator's Office, in order to permit proper scheduling.
- c. Students wishing to use the area for impromptu speeches or presentations must sign up for a single half-hour period at a time, and must use that period before signing up for another one. If more flexible scheduling permits, however, the Student Activities Administrator, at their discretion, may allow a student to sign up for more time on the two-week master calendar.
- d. For a special event, such as an address by a sponsored on-campus speaker or an organized, planned debate, more than the half-hour period may be made available for use of the free-speech area. Chairpersons of on-campus organizations should sign up for such special events at least three College days in advance, but a week's notice is recommended.
- e. Students desiring to use the free-speech area for impromptu use or special events must
 - i. sign up for the time period available, and

- ii. indicate the general topic to be discussed or entertainment activity to be scheduled.

f. If the schedule governing the use of the free-speech area cannot be followed, the following rules will apply:

- i. If a student does not arrive at the area for a scheduled appearance, another student may be permitted to sign up for the time not being used. In such instances, however, at least ten minutes must be allowed for the scheduled event to take place before anyone may sign up for the unexpired time.

- ii. A scheduled activity must be allowed to continue at the free-speech area until the next scheduled event, at which time the podium must be vacated promptly.

- iii. If time becomes available during the day because of cancellation of a scheduled event, a student scheduled for another time may be permitted to sign up for the area in addition to his scheduled activity but may not deliver their initially scheduled address until the time originally scheduled.

- g. A speaker scheduled to use the free-speech area should permit another student or students to speak in reply to their remarks while they are using the area, without the others signing up in advance as scheduled speakers. However, this provision does not apply to students denied the right to use the area because of prior disciplinary action (y s)-8 (c)

Willful misconduct which results in injury or death to a student or District personnel or which results in cutting, defacing, or other injury or damage to any real or personal property owned by the District; or injury or damage to property belonging to a member of the District community or to an authorized District visitor while on District property.

5. Assault or battery, abuse, extortion, or any threat of force, violence, or death, or any terrorist threats as defined in Education Code section 48900.7(b), directed toward any member of the District community (including but not limited to students and employees), or District visitor engaged in authorized activities, or to any District property, or aiding and abetting, as defined in Penal Code section 31, the infraction or attempted infraction of physical injury on another person.

6. Disorderly, lewd, indecent, obscene, slanderous, libelous or offensive conduct or expression (including clothing) that interferes with the District's primary educational responsibility or that breaches the peace on District property or at any District sponsored or supervised function, or such conduct or expression that so incites students as to create a clear and present danger of
