

Where do CCSF students live?

A majority of CCSF students live in San Francisco. In the 2023-24 academic year, approximately 76% of credit students and 82% of noncredit students were San Francisco residents. CCSF also attracts students from across the Bay Area, with around 7% of students in credit coming from the Peninsula and South Bay, and another 8% from the East Bay. Among students in noncredit, just over 14% live in the counties surrounding San Francisco.
